

STATE TEAM NEWSLETTER

The 2026 Australian Polocrosse Nationals will be contested in Darwin from 22 – 28 June 2026, and we are pleased to announce the team that has been selected to represent New South Wales at this prestigious event.

This year's team brings together the best players from across the state to represent NSW with pride and passion. It's an opportunity to compete at the highest level, learn from experienced coaches, and be part of a team that values hard work, respect, and true sportsmanship.

The selectors were faced with many difficult decisions this year which is a testament to the incredible depth of talent across New South Wales. Earning a place in the team is an achievement to be immensely proud of.

For players, this is your chance to challenge yourself, grow your skills, and create memories that will last a lifetime. For families, it's a time to share in the excitement, support the players, and be part of the Darwin 2026 experience.

Polocrosse is a true team sport. Not only will players have the opportunity to compete alongside some of the game's elite, but they will also build the friendship and trust that define great teams. Our coaches, managers, and support staff are dedicated to helping every player get the most out of the experience both as competitors and as ambassadors for our sport and we thank them for their ongoing commitment and leadership.

Selection to the NSW State Team is not only recognition of skill and commitment, but also an opportunity to contribute to a proud legacy of state representation. Every time you pull on the sky blue jersey, you carry forward the history and spirit of those who have represented before you.

We are excited for the 2026 Nationals and the potential of this outstanding NSW team, let's make Darwin 2026 one to remember.
